

COMPANY PROFILE

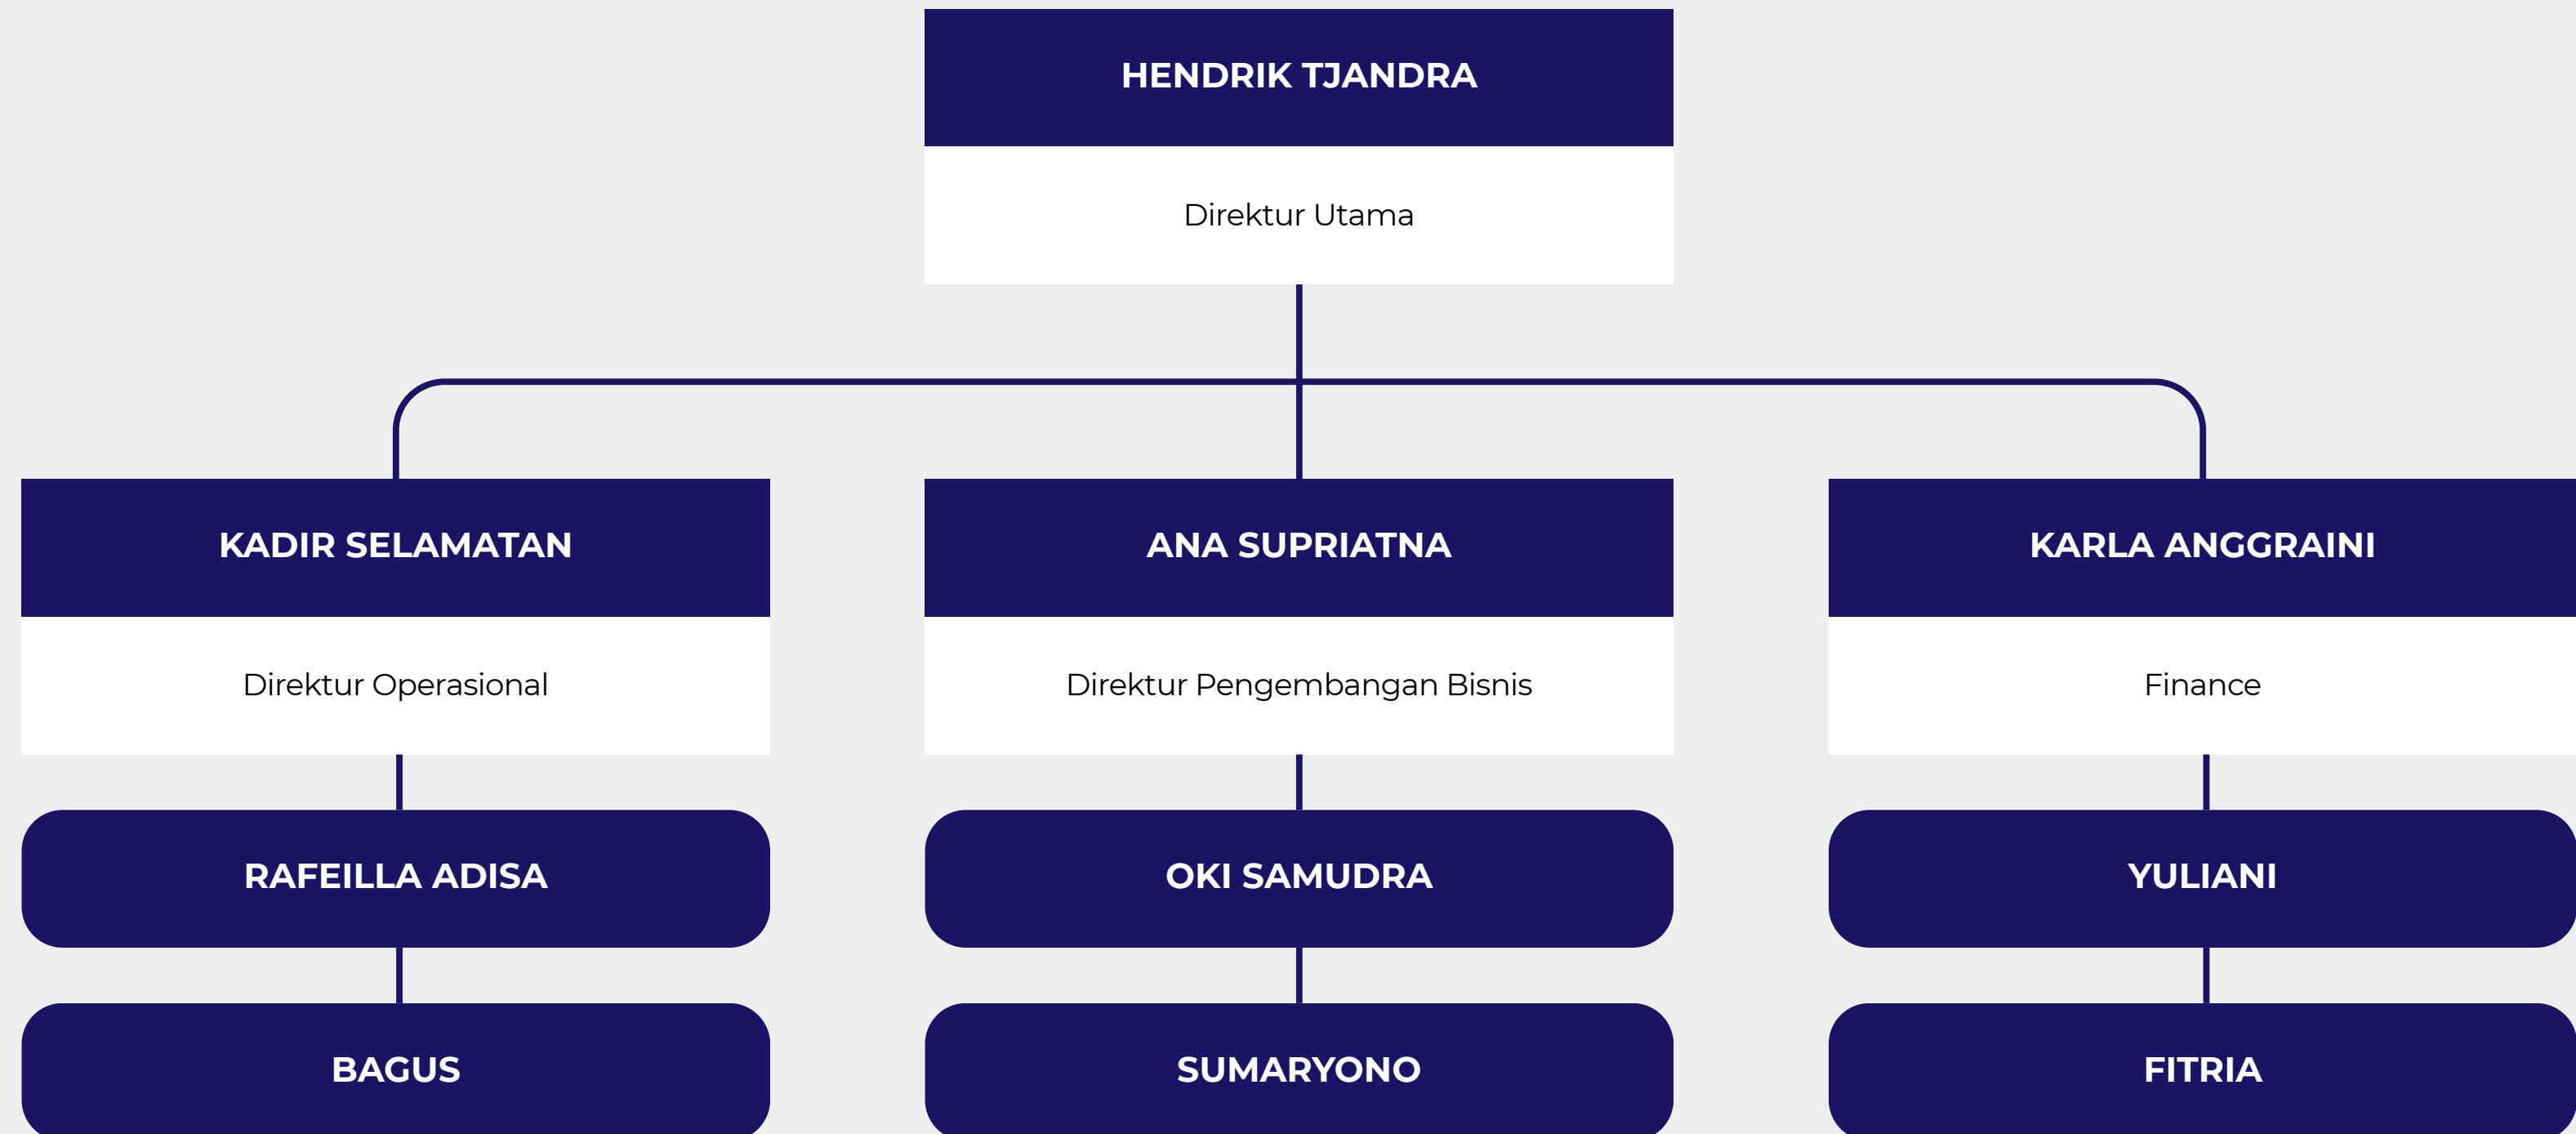

VISION

To become a premier, reputable, and credible Maintenance, Repair, and Overhaul (MRO) provider dedicated to providing superior services for tactical and combat vehicles, thereby enhancing operational readiness to safeguard the sovereignty and territorial integrity of the Republic of Indonesia against internal and external threats.

MISSION

- **To Serve as a Strategic Partner** to the Ministry of Defense (Kementerian Pertahanan), the Indonesian National Armed Forces (TNI), the Indonesian National Police (POLRI), and the Indonesian Maritime Security Agency (Bakamla) by leveraging an experienced technical team to provide superior, punctual, and efficient maintenance and repair services.
- **To Maintain Robust Access** to global supply chains, including Original Equipment Manufacturers (OEMs) and authorized distributors, to streamline and expedite the MRO lifecycle.
- **To Facilitate Continuous Training Programs** for end-users to enhance the professional knowledge and technical competencies of personnel.
